Dear Mike:

It is difficult to find adequate words to express my appreciation for the mural you designed and painted. The Lower School at Franklin Road Academy is most fortunate to receive this gift. It captures the FRA spirit with such splendid artistry and the children love it.

Thank you for using your talents to produce a work that will give enjoyment to children and adults for many years to come. I can only hope that many good things come to you as a result of your generosity. One thing is certain - you produced a first-rate piece of art and your gift makes you a first-rate person in my book.

With heart-felt appreciation, I am

Sincerely yours,

Dear Mike,

Franklin Road Academy wants to extend to you a very special "thank you" for contributing to Pizzazz...A Celebration Fantastic, our annual dinner and benefit auction. The success of this fundraiser was a result of your tremendous support.

Your donation of the two day painting project was greatly appreciated and was a wonderful addition to the auction. The proceeds from this event will be divided between the faculty salary endowment fund and the needs of the students.

Again, thank you for your support.

Respectfully yours,
