Dear Friends:

This is a much delayed but most sincere expression of our appreciation for the party and the many very nice gifts you gave to our children for Christmas. We are most grateful.

Thanks to you and people like you, the children had a very nice Christmas. Later, when they grow up, they will remember the times spent at our Home, and your gifts and kindness will become a cherished and pleasant memory of an otherwise not very easy time.

Our warmest best wishes for a happy and prosperous 1984 to you all.

Gratefully yours,

Emil A. Lenz
Superintendent
