

Downtown mural near completion

Franklin artist Michael Cooper hopes to be finished with the new mural in downtown Dickson today. The mural, a project of the Community Arts Development, is going up on the WDKN building on College Street. It depicts a "Greetings from Dickson County" postcard. The mural features the railroad industry, the military, the historic Dickson County Courthouse, Old Timers Day, Montgomery Bell State Park and The Renaissance Center. The Community Arts Development received a \$5,000 Tennessee Arts Commission grant to paint the mural. Businesses and individuals raised the remaining \$20,000.
